 - (ii) until RAA Finance has received, in a form satisfactory to RAA Finance, all documents and information necessary for RAA Finance to register the Security, including a Financing Statement or Financing Change Statement.
- (b) If the Debtor has not:
 - (i) Satisfied the pre-conditions; or
 - (ii) drawn down any part of the Loan, within 28 days from the date the Debtor signed this Contract, then the Debtor or RAA Finance may end this Contract by giving the other party notice, and this Contract will end immediately on the receipt by the other of such notice.

3. The Loan

- (a) The Debtor authorises and directs RAA Finance to pay the Amount of Credit in the manner specified in the Schedule.
- (b) RAA Finance will debit the Loan to the Debtor's Account on the date the Loan is drawn down.

4. Interest Charges

How is interest calculated?

- (a) The Debtor must pay RAA Finance interest charges on the Account Balance at the Annual Percentage Rate set out in the Schedule.
- (b) The Annual Percentage Rate is fixed for the term of this Contract.
- (c) Interest will be calculated on a daily basis by applying the Daily Percentage Rate to the unpaid daily balance under this Contract. Interest accrues daily from the date the Loan starts.
- (d) The Loan starts on the day any part of the Loan is provided to the Debtor or at the Debtor's direction.

How is interest charged?

- (e) Interest will be charged monthly in arrears to the Debtor against the Debtor's Account on each day a repayment is due (ignoring any change to the date a repayment is due that results from the repayment falling due on a day which is not a Business Day). Interest can also be charged by RAA Finance against the Debtor's Account immediately before:
 - (i) the Account Balance is repaid to RAA Finance by the Debtor; and
 - (ii) the Total Amount Owed under this Contract becomes due under clause 22.
- (f) The first charge of interest will be made up of interest calculated for each day for the period commencing on the date the Loan started and ending on the day before the first repayment is due. Thereafter, interest charges will be made up of interest calculated for each day for the period commencing on the day the last repayment was due and ending on the day before the next repayment is due.
- (g) If a day on which RAA Finance charges interest falls on the 29th, 30th or 31st day of a month which does not contain such a day, RAA Finance will charge interest on the last day of that month.
- (h) If interest is due to be charged or a repayment is due to be made on a day which is not a Business Day, it will be charged on or the repayment will be due on the next Business Day. Repayments must be made by 5.00pm on a Business Day.
- (i) Interest charged to the Debtor's Account will become part of the Account Balance on which interest charges are calculated.

5. Fees and Charges

- (a) The Debtor must pay RAA Finance (or reimburse RAA Finance) for the following fees, charges and costs RAA Finance reasonably incurs or pays:

 - (vi) the Credit fees and charges set out in the Schedule as varied pursuant to these Loan Terms and Conditions;
 - (vii) all costs reasonably incurred by RAA Finance in enforcing this Contract after an Event of Default occurs (including, without limitation, preserving and maintaining the Collateral such as by paying insurance and any registration fees for that Collateral); and

 - (c) The fees, charges and costs that are not included in the Amount of Credit will be debited to the Debtor's Account on or after the date RAA Finance pays them or the date they become due or payable by the Debtor or RAA Finance (whichever is earlier). RAA Finance does not need to notify the Debtor before debiting the Debtor's Account.
 - (d) If the Debtor does not make a repayment on time, and the repayment remains in arrears for 7 consecutive days or longer, RAA Finance may charge the Default Fee specified in the Schedule. The Default Fee is a reasonable estimate of RAA Finance's reasonable administrative costs in respect of attending to the missed repayment.
 - (d) A monthly account keeping fee may be payable to RAA Finance. This fee is payable monthly on the date of each repayment as specified in the Schedule. The amount of the fee is specified in the Schedule.
 - (e) An early termination fee may be payable to RAA Finance. Refer to Section 9 Prepayments and Early Termination of this Contract for information regarding the applicable early termination fees.
 - (f) The Debtor authorises RAA Finance to charge all the Credit fees and charges set out in the Schedule.

 - (i) the Loan and interest charges by the repayments set out in the Schedule;
 - (ii) the Account Balance on the date the final repayment is due;
 - (iii) all other amounts payable under this Contract at the time(s) set out in this Contract.
- (b) Payments received by RAA Finance will not be treated as made until actually credited in clear funds to the Debtor's Account.
- (c) Any payment that is not received by RAA Finance in cleared funds shall be regarded as conditional only and will not be regarded as payment until it is cleared.
- (d) All payments must be paid to RAA Finance by electronic transfer at its Principal Place of Business or such other address as RAA Finance may from time to time nominate in writing to the Debtor without any deduction, set-off or counterclaim. Unless paid by bank authority or direct debit authority, each payment must be accompanied by details identifying the Loan.

8. Application of Payments

- (a) All payments must be free and clear of exchange or any government charges, stamp duty, charges or other duties on receipts. RAA Finance may in its absolute discretion debit the Debtor's Account with government duties on receipts or deduct any such duty paid or payable by RAA Finance from the amount of any payment. The balance of the payment nett such deduction will be applied firstly, to any enforcement expenses unpaid, secondly, to interest charges and, thirdly, the unpaid balance of the Loan.
- (b) If the Debtor owes RAA Finance money under any other contract and the Debtor makes a payment to RAA Finance which is insufficient to satisfy the repayment requirements of each contract, then:
 - (i) the Debtor may specify in writing to RAA Finance which contract or contracts and in which proportions the payment is to be applied;
 - (ii) if the Debtor does not make a specification to RAA Finance, RAA Finance may provide a notice to the Debtor and allow a reasonable time for the Debtor to specify which contract or contracts and in which proportions the payment is to be applied.

However, RAA Finance can give the Debtor a shorter notice, or no notice at all if it is reasonable for RAA Finance to act to manage a material and immediate risk to RAA Finance.

9. Prepayments and Early Termination

- (a) The Debtor may repay the whole or any part of the Account Balance at any time before it is due.
- (b) Any prepayment will not reduce the amount of future repayments due (except for the last one) but may reduce the number of future repayments due.
- (c) An early termination fee will apply to this Contract where the Loan is repaid in full within 24 months of first draw down of the Loan. The early termination fee is the amount specified in the Schedule.
- (d) The early termination fee will be payable at the time this Contract ends. The early termination fee is a reasonable estimate of RAA Finance's reasonable administrative costs in respect of such a termination or prepayment.

- (e) The early termination fee is not payable when:
 - (i) this Contract ends as a result of a refinancing provided by RAA Finance;
 - (ii) the Loan is repaid wholly from proceeds of money received from an insurance Claim in relation to the Collateral; or

15. Possession

Notwithstanding the Security, while the Total Amount Owing remains outstanding, the Debtor may keep Possession of the Collateral but that Possession is at all times subject to the other terms and conditions of this Contract.

18. Things the Debtor must not do in relation to the Collateral

Until the Total Amount Owing has been repaid in full and the Security discharged, the Debtor must not without first obtaining RAA Finance's consent, which consent RAA Finance will not unreasonably withhold:

- (f) may consent to RAA Finance to making, negotiating and settling Claims in relation to the insurance of the Collateral. What can happen after an Event of Default

- (a) Before RAA Finance acts on a default, RAA Finance will allow the Debtor a reasonable time (being not less than 30 days) to remedy the Event of Default if it is able to be remedied, and notify the Debtor of this time period. However, RAA Finance can give the Debtor a shorter notice, or no notice at all if it is reasonable for RAA Finance to act to manage a material and immediate risk relating to:
 - (i) the Event of Default;
 - (ii) the Debtor's particular circumstances; and
 - (iii) the value of the Collateral.
- (b) If the Debtor remedies the Event of Default during the period set out in RAA Finance's notice (if any), and no other Event of Default has occurred, then RAA Finance will not exercise its default rights after the Debtor remedies it.

Default Rights

- (iii) sell or concur in selling (whether or not RAA Finance has taken Possession of the Collateral) any part of the Collateral:
 - (a) either by public auction, private treaty, option or tender;
 - (b) for cash or on credit;

- (b) Subject to clause 27(c), any discharge or Financing Change Statement required will be prepared by RAA Finance at the request and expense of the Debtor.
- (c) Except to the extent prohibited by Law, the Debtor shall be liable for RAA Finance's reasonable costs and expenses of complying with an Amendment Demand by the Debtor or anyone else with respect to the Collateral.

28. No Assignment of rights by the Debtor

The Debtor must not assign its rights under this Contract without obtaining RAA Finance's prior written consent.

29. Debtor's obligation to notify

The Debtor must notify RAA Finance in writing of:

- (a) every occurrence of an Event of Default as soon as the Debtor becomes aware of it;
- (b) every change, event or circumstances which would cause any representation, warranty or undertaking in this Contract to be false or misleading in any way, as soon as the Debtor becomes aware of it; and
- (c) the particulars and location of any Collateral (including Serial Numbers and changes to Serial Numbers) on request by RAA Finance or promptly upon the particulars of the Collateral changing.

30. Changes to this Contract

- (a) RAA Finance may, acting reasonably and to the extent reasonably necessary to protect RAA Finance's legitimate business interests, change this Contract. For example, RAA Finance may change the fees under this Contract or charges due to increase in RAA Finance's costs, regulatory changes or changes in market conditions.

Impose new fees or charges	30 days or shorter if the change is not adverse to the Debtor
Introducing or changing any government fee or charge	30 days or such period as may be required by law or in order to notify RAA Finance of the changed or new charge or tax (unless published by a government, Government Agency or representative body)

- (c) If RAA Finance notifies the Debtor of a change to the terms of this Contract, the Debtor may end this Contract by providing RAA Finance notice of its intention to end this Contract. Upon providing RAA Finance such notice, the Debtor must pay the Total Amount Owing.
- (d) The Total Amount Owing may include the early termination fee set out in clause 9.

31. Address of the Debtor

- (a) If there is more than one Debtor, one Debtor may be nominated by the other(s) to receive notices and other documents on behalf of all of them.
- (b) The Debtor must tell RAA Finance as soon as possible of any change of address of any Debtor.

32. Notices to RAA Finance

35. Joint and Several Liability

If the Debtor is comprised of two or more persons, the Debtor's obligations as Debtors are both joint (meaning that RAA Finance can take action against any two or more of the Debtors) and several (meaning that RAA Finance can take action against any one of the Debtors).

36. Governing Law

The laws of the State or Territory where the Debtor resides govern this Contract. Where there is more than one Debtor and they do not all reside in the same State or Territory the laws of the State or Territory in which RAA Finance first lends the Amount of Credit under this Contract will govern this Contract. The Debtor and RAA Finance submit to the non-exclusive jurisdiction of the courts of that State or Territory.

37. Waiver

If RAA Finance grants the Debtor time or any indulgence in relation to a breach of this Contract and/or the Mortgage, RAA Finance's rights in relation to any continuing, recurring or subsequent breach by the Debtor will not be affected in any way, except to the extent indicated by RAA Finance in writing.

38. No Merger

The Debtor's obligations under this Contract and the Security are supplementary to, and not in substitution for, any other present or future Security Interest, right, guarantee, agreement, judgment or order held or obtained by RAA Finance and they are not to be merged in, or prejudiced by, any such Security Interest, right, guarantee, agreement, judgment or order.

39. Severability

- (a) A clause or part of a clause of this Contract that is illegal or unenforceable may be severed from this Contract and the remaining clauses or parts of the clause of this Contract will continue in full force.

Information Statement

THINGS YOU SHOULD KNOW ABOUT YOUR PROPOSED CREDIT CONTRACT

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, your credit provider's external dispute resolution scheme, or get legal advice.

THE CONTRACT

1. How can I get details of my proposed credit contract?

Your credit provider must give you a precontractual statement containing certain information about your contract. The precontractual statement, and this document, must be given to you before:

- your contract is entered into; or
- you make an offer to enter into the contract; whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep.

Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply, if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy:

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as:

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example:

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance written notice for:
 - (i) a change in the way in which interest is calculated; or
 - (ii) a change in credit fees and charges; or
 - (iii) any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. Your credit provider's external dispute resolution provider is Australian Financial Complaints Authority (Provider Number: 14892) and can be contacted at

Phone: 1800 931 678

Web: afca.org.au

Email: info@afca.org.au

Postal: GPO Box 3, Melbourne VIC 3001

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at asic.gov.au.

INSURANCE

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out further insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

MORTGAGES

15. If my contract says I have to give a mortgage, what does this mean?

A mortgage means that you give your credit provider certain rights over any property you mortgage. If you default under your contract, you can lose that property and you might still owe money to the credit provider.

16. Should I get a copy of my mortgage?

Yes. It can be part of your credit contract or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

However, you need not be given a copy if the credit provider has previously given you a copy of the mortgage document to keep.

17. Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you can not assign or dispose of the property unless you have your credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or can not do with the property.

18. What can I do if I find that I can't afford my repayments and there is a Mortgage over property?

See the answers to questions 22 and 23.

Otherwise you may:

- if the mortgaged property is goods – give the property back to your credit provider, together with a letter saying you want the credit provider to sell the property for you;
- sell the property, but only if your credit provider gives permission first;

OR

- give the property to someone who may then take over the repayments, but only if your credit provider gives permission first.

If your credit provider won't give permission, you can contact their external dispute resolution scheme for help.

If you have a guarantor, talk to the guarantor who may be able to help you.

You should understand that you may owe money to your credit provider even after the mortgaged property is sold.

19. Can my credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your contract.

20. If my credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes, You have 7 days after receiving your credit provider's request to tell your credit provider. If you do not have the goods you must give your credit provider all the information you have so they can be traced.

21. When can my credit provider or its agent come into a residence to take possession of mortgaged goods?

Your credit provider can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

GENERAL

22. What do I do if I can not make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways:

- to extend the term of the contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to simply delay payments for a set time.

23. If my credit provider and I can not agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review the decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set below in question 25.

24. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

25. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.
